GRAVEL PIT ALLOTMENT ASSOCIATION

I am writing to confirm my support for the above group in their bid for lottery funding for their project.

I understand the local Parish Council has agreed to the Association renting an acre sized field to turn into allotments, and after months of hard work by members of the allotment association, they have now signed a lease and are all set to proceed with the project.

I fully support their bid for lottery funding, as this project will be of benefit to the community, by enabling residents to grow their own produce and by developing the allotment site to bring some vibrancy to the local community.

I do hope that the Association is successful in their bid for funding, and I wish them every success for the future.
